

We know how valuable your time is

As one of Central London's leading Independent Agents we know that finding the right property at the right price can be a time consuming and often frustrating experience.

That's why we are launching Patterson Bowe Private Purchase. Using our huge network of Agency and personal contacts we can do the hard work for you.

We will actively source the best properties both on (and more importantly off) the London property market. And when we find you the right one, we will negotiate the best price for you. Guaranteed.

After all, time is money.
